

LONJA

Santiago Sevillano

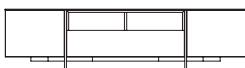

The LONJA collection derives its inspiration from the spiral columns of the Spanish gothic church LONJA. The golden frame of the cabinet, exquisitely and compactly flowing from the top to the bottom. The top is covered with one long piece of natural marble, and the body is symmetrically divided into open or storage space.

STRUCTURE

Structure in veneer on particles board, top in marble, stainless steel frame

FINISHING

Structure in walnut or stained oak, top in venato white marble or charly brown marble, base in champagne titanium
