

# PULO

Achirivolto

PULO, with its showy colors and round shape, conjures up images of tasty fruit pudding. The designer utilized a lightweight and satiny metal frame to support the seat, which brings the chair a cozy feeling. Its quilted surface blooms like flowers and encloses the soft seat.

## STRUCTURE

Structure in plywood, base in metal

## FINISHING

Upholstered with non-removable covering in fabric or leather, base in silk black lacquered metal or champagne titanium
