

PIANPIAN

Steve Leung

Following the striking characteristics of PIANPIAN collection, PIANPIAN chair enjoys cutting-edge craftsmanship on its armrests, adorned by inlaid leather details. Thanks to its sophisticated personality and contrasted fabrics with stitching finishing, it easily fits in minimalist settings as well as in more opulent spaces.

STRUCTURE

Structure in solid wood

FINISHING

Upholstered with fabric or leather, armrest inlaid with leather, frame in natural walnut or stained oak. Option1: the covering could be two kinds of fabric sewed together, sewing line is in the 1/3 position to the left.
