

EMMA

Francois Champsaur

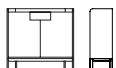

EMMA cabinet uses the design language of EMMA collection. The bentwood design with its varnish finish combines elegantly with the lacquered front panels. This piece can be used as shoe cabinet or as sideboard.

STRUCTURE

Structure in bent plywood, base and legs in epoxy metal, doors and face of drawer in lacquered MDF wood

FINISHING

Doors and face of drawer in lacquer, legs in dark grey epoxy paint, other parts in walnut or stained oak
