

2H

Design by LualdiMeraldi Studio

编号：11C030 / 11C031

2H设计大胆而现代。它由两个整体式底座组成，让人联想起现代桥梁的典型结构，赋予了桌子独特而醒目的外观，满足功能性同时增加了装饰性。对称的H型桌腿是设计的核心，不仅为桌子提供了稳固的支撑，同时给人一种平衡与力量融合的美感。

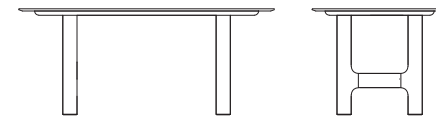

The 2H table is a design work characterized by a bold and modern design. It consists of two monolithic bases that recall the typical structures of modern bridges, giving the table a distinctive and striking appearance. The bases are designed to create a strong visual impact, making the 2H table a piece of furniture that stands out in any environment.
