

COLOS 枫丹

Design by Hanne Willmann

编号：11C029

枫丹是由水之神统治的国度，对艺术及时尚、以及正义有着极致追求，正如这款圆餐桌所呈现出的气质。一薄一厚的圆形桌面与底座交相呼应，烤漆立柱桌腿支撑其间，既拥有石材的华丽，又兼顾烤漆的温润，是探索，也是融合与跨界的突破，为餐厅空间呈现出精致与艺术的氛围体验。

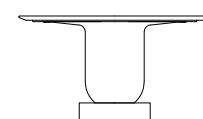

COLOS dining table is a love letter to the past. Inspired by historic columns, it delivers an timeless and sophisticated look. The solid column base consists of a perfectly balanced geometric construction. With the tabletop crafted from marble, provides a harmonious finish with its softly tapered curve edge, COLOS' strong and noble appearance makes it the focal point in any room.
