

TWISTY MINI

迷你纽宝

Design by AI+Roderick Vos

编号：32F022

TWISTY是一件具有实验意义及时代意义的作品，由AI生成，设计师优化的设计。圆管造型扭动链接，最终完成闭环形成座椅，寓意着无穷无限，不设边界，也代表着品牌对未知的敬畏，对未来的探索。迷你纽宝为儿童设计，更稳固的敦实可爱的造型也为儿童增加多一分安全。

TWISTY is an innovative and revolutionary work that was inspired by AI generated image. The round tubes are twisted into a complex loop shape that is also an armchair. The end-less loop represents limitless data and infinite future possibilities. HC28 COSMO shares the concept of "Man versus Machine", combining Artificial Intelligence with Artistic Intelligence to create this artwork. MINI TWISTY design for kids, the chubby look also increase the stability for safety concern.
