

MELLOW 云端

Design by Ximi Li 李希米

编号：21F013

MELLOW云端系列灵感来自层叠错落的云朵，设计师巧妙利用设计语言将其重新解构，靠背前后层次错落，演绎出体块堆叠的建筑感效果。外层靠背呈半弧状，增加了背部的支撑与包裹感。

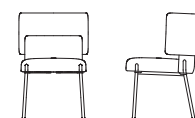

MELLOW collection is inspired by layed clouds. It gently hugs you with its whimsical and layered back. The tubular metal legs adds a polish touch to the design.

产品描述
