生活场景的融合，空间界限的模糊已成为势不可挡的趋势。书桌未必只能在书房，卧室、客厅也可以有精致的小书桌，书韵就是为此而生。马鞍皮桌面增强工艺质感，与充满结构感的金属腿，共同打造出具有典型德国设计的现代作品的样貌。

The once distinct functionality of each room in the house has blurred, with desks no longer confined to the study but seamlessly integrated into the bedroom and living room. This concept is embodied in the design of the SHADE everywhere desk. The saddle leather tabletop showcases craftsmanship, while the structured metal legs reflect the clean, modern aesthetics synonymous with German design.
