MEG宾至扶手椅同系列餐椅，宽大的坐席，轻仰的角度，为入座带来舒适体验。硬朗的木质扶手环抱着座椅，三足鼎立的腿部结构为椅子增添了庄重感。现代设计与传统绅士礼仪的完美结合让宾至座椅系列为空间带来复古与现代的氛围。

Designer Christophe created a classically designed dining chair with a modern appeal to last for generations. The wood frame with the clear silhouette and the three-legged structure add a sense of formality and etiquette to the chair. MEG chair resonates with a sense of modernism and tradition.
