从简约的建筑风格中获取设计灵感，横向舒展，纵向承托，以木制平台作为基准，规则排列，创造出陶然之境。和谐的平衡感，丰富的变化，精致的细节成为了设计的亮点，迎合不同的生活方式。搭配同系列异形转角组件、多功能边桌使用，轻松适用不同空间和需求。

SALVER is a platform sofa with high comfort and modularity. Due to the balanced, shape of the modules and the unique add-ons, it offers varied combinations for individual use, different room situations and lifestyles. Inspiration for the design is the slight incline of a gesture of welcome and minimalistic architecture. The smooth chamfer on the edge of the wood platform base and the soft seam from the textile cushions highlight the characteristics of the materials.
