以郁金香形态为灵感，结合三维弯曲造型技术，CLARA餐桌是一款独特而优雅的设计。设计师采用大理石桌面，并打造出唯美精巧的底座，比例流畅，一气呵成。在天然木质与润泽烤漆的层叠对比中，CLARA呈现出细腻高雅的有机形态。

Inspired by flower petals and 3D modeling technology, CLARA table is unique and elegant. The design combines a marble tabletop and an exquisite base in smooth proportions. With its contrasting natural wood and shimmering gloss, CLARA exhibits a form both elegant and organic.
