灵气、柔美、气质脱俗是设计师赋予Alice餐椅的独特性格，它的动人之处在于舒缓而流畅的侧面轮廓，座面和靠背的边缘造型以“花瓣般”的形态细腻别致，简洁的黑色丝光金属底座更为Alice平添了几分优雅。

Flexible, gentle, and refined are the elements that define ALICE chair's unique character. The most appealing aspect of the chair is its smooth and flowing side profile. The seat and back resemble delicate and unique petals, and the black mercerized metal base gives ALICE chair a touch of elegance.
